Together we look after a diverse practice population of 5600 patients. We are looking for a temporary salaried GP (with a view to permanent base on the needs of the practice) to help maintain our high standards of clinical care. Applicant must be willing to take part in extended hours and an interest in men's health and minor ops is desirable but not essential.

Our clinical system is Emis Web.

We were recently rated "GOOD" overall in our latest CQC inspection - February 2019.
