Description

We are seeking a Primary Care Pharmacy Technician registered with the General Pharmaceutical Council to join our growing multi-disciplinary teams at Our Health Partnership, working for and across the Alliance of Sutton Practices Primary Care Network.

The successful candidate will be part of a dynamic and forward-thinking pharmacy team employed by Our Health Partnership. Professional Leadership will be provided by the Consultant Pharmacist at OHP along with the PCN Lead Pharmacist and their team of clinical pharmacists in each PCN.

We are looking for an experienced registered pharmacy technician, who can act within their professional boundaries to contribute to improving prescribing practice, patient care and deliver the Directed Enhanced Service PCN prescribing agenda. This includes improving repeat prescribing processes in General Practices within the PCN, promoting digitalisation, reducing medicines waste and minimising clinical risk associated with medicines taking.

The post holder will help patients to get the best from their medicines, operating within clear protocols and guidance. They will be responsible for encouraging the development of better understanding of the principles of medicines optimisation throughout the practice and PCN teams and promoting good practice in line with therapeutic developments.
